To Be One in Hospitality

Renewing, Revitalizing and animating the path of Hospitality in the Province
July 2007 XIII Provincial Chapter
Priorities of Hospitality 2007-2010

1. Life of Brotherhood

a. Vocations Promotion

- i. Initiate a process for broadening the classical notion of Vocation to become a notion more inclusive of new forms of belonging and participating in the Hospitaller Life.

b. Formation

- i. Evaluate our current understanding of initial and on-going formation of Brothers and Co-workers and to create programs responding to current experiences and need.
- ii. Study the Formation Document of the Order specially the elements that pertain to the United States.

c. Community Life

- i. Empower Brothers to move beyond the on-going issues of personality difference and to challenge them to identify and confront the issues challenging our communal life today.
- ii. Re-organize our communities to facilitate and utilize the gifts of each of the Brothers.
- iii. Strengthen our communities by promoting spiritual conferences and assemblies in which each Brother is encouraged to develop his life of faith and hospitality.

2. The Mission of the Order

a. Charismatic Management

- i. Assess and organize the Provincial Curia in a manner that centralizes and coordinates the management functions of each of the ministries to assure that they are in compliance with the criteria of charismatic management as outlined in Charter of Hospitality.
- ii. Evaluate the strategic direction and plan of each of the ministries for their compliance with the Standards of Hospitality and the Mission of the Order.

Fidelity to the Mission Means Fidelity to the Charism of Hospitality

April 19-23, 2010

b. Brothers and Co-workers United in the Mission and the Charism

- i. Reanimate and establish the Institute of Spirituality and Hospitality to establish the on-going formation of Brothers and Co-workers in the Spirit of Hospitality

c. Transmitting the Values of the Order

- i. Evaluate our current mission and values programs in each of the ministries and Centers of the Province in order to coach and mentor co-workers in the mission of hospitality.
- ii. Empower the development of new ways belonging and participation in the mission of hospitality for the Co-workers.

d. The Pastoral Care of the Sick and Social Care

- i. Commence a process for assessing, planning, and implementing a Spirit Care program which is present and active in each of the ministries meeting the Spiritual Needs of those in the ministries of the Province.
- ii. Establish a mechanism and protocols to assure compliance with the goals of the Order.

e. Bioethics

- i. Develop a central committee to identify the organizational and bio-ethical dilemmas occurring in the ministries.
- ii. Institute educational programs for the ministries to equip Brothers and coworkers to respond to organizational ethics and bioethical dilemmas.

f. Networking

- i. Evaluate and actively participate in collaborative efforts of other Provinces of the Order.
- ii. Identify the best level of participation in CIALOH.
