## Does the Bioethics Committee share in management policies?

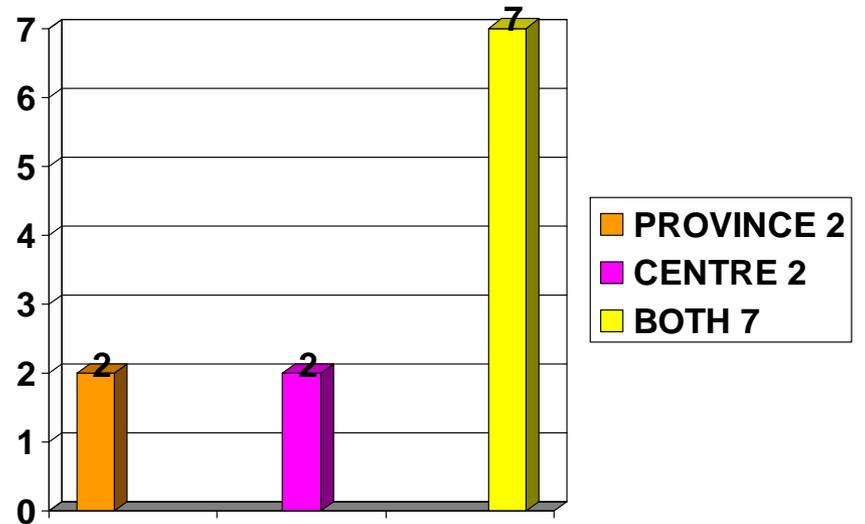

**YES: CASTILE PROVINCE**

# Do you provide Bioethics training?

No reply: Australia

11 YES:

**The data given in this presentation is taken from the replies to the questionnaires we received from the Provinces and General Delegations to understand the state of Bioethics in the Order.**

**We realise that the data is incomplete. But they provide a fairly accurate rough idea of the situation. The General Bioethics Commission will improve the data as it is received.**
